LET'S TALK

ABOUT MANAGING AUTISM BY MANAGING STRESS

**Facilitator:
Lori Hogenkamp**

THURSDAY, MAY 16

6–8 PM

**AT MERCY HEALTH CENTER
1701 MERCY HEALTH PLACE
CINCINNATI, OH 45237**

ROOM S157

Join us for a conversation about helping to manage life with autism by learning techniques for stress reduction.

Lori is an adult on the Autism Spectrum with a degree in psychology from Miami University. She studied neuroscience and stress related behaviors for over 20 years. Her love of science drives her passion for understanding her experience of the complex patterns of abilities and disabilities of those on the spectrum. Her blog is "Peripheral Minds of Autism".
